## Who are we?

We joined staff with Campus Crusade for Christ in the winter of 2009.

God has given us a strong desire to invest our entire lives into the three things that are eternal:

*God, His word, and the souls of men.*

It is because of this strong desire that we have committed our lives to sharing the message of Jesus Christ with those in need. And we find it a privilege to work with Campus Crusade for Christ in the influential country of Italy, reaching Italian students with the gospel.

University of Salerno

## Why Italian college students?

There are over 110 million college students in the world today. The majority of these young adults will be the leaders of our future. How they are influenced in college will most likely affect them for the rest of their lives.

In 2006 - 2007 we spent a year living in Salerno, Italy sharing the gospel with Italian students. During that time we saw God begin a tremendous work in their hearts. Since then, we have felt an overwhelming desire to return to Italy and invest in the Italian students long term.

For centuries, Italy has been a country that has forgotten its roots. In a country with such rich Christian heritage, they have turned to one of self-satisfaction, atheism, and hardened hearts. But, we believe that the gospel of Jesus can change them and draw them back to the hope they once had. We believe the gospel is the only hope for Italy.

And we hope to share that with them.

## Where do you fit in?

It is our desire to partner with *you* to help reach these students for Christ.

*"For everyone who calls on the name of the Lord will be saved. But how are they to call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? **And how are they to preach unless they are sent?"***

*Romans 10:13-15*

We would love to meet with you and share more details about the ministry we will be a part of with Campus Crusade for Christ. Only through the support of ministry-minded believers will our mission work be possible.

Together we can reach the world for Christ!
